

## Hiawathamr Content License Terms

The following applies to all freeware content by hiawathamr:

- All Trainz Content downloaded from hiawathamr.com (including uploads by hiawathamr on the DLS) are and remain the intellectual property of hiawathamr unless otherwise stated in the description.
- Under no circumstances may any piece of content authored by hiawathamr be re-distributed by any means whatsoever in original or modified form.
- All content is made available to members of the Auran Trainz community on an as-is basis and carry no warranty whatsoever either expressed or implied.
- All content released aren't permitted to be released under another users KUID number.
- None of content aren't permitted to be converted to mobile. Any content deemed appropriate for mobile will be released via the official content downloader in-game.
- Using any of our content for payware content is permitted provided its referenced to the content hosted on this website or requiring download by the end users from the DLS for obtaining the dependencies. Including the files in an actual payware package is not permitted.
- Rehosting any content created by hiawathamr isn't permitted.
